

| <b>Code</b> | <b>Device type</b>                        | <b>Capacity / Characteristics</b>   | <b>Year</b> | <b>Brand</b> |
|-------------|-------------------------------------------|-------------------------------------|-------------|--------------|
| SAW1        | <i>Submerged Arc Welding</i>              | 4 x 4 meters manipulator – 1000 Ah. | 1989        | Lincoln      |
| SAW2        | <i>Submerged Arc Welding</i>              | 4 x 4 meters manipulator – 1000 Ah. | 1991        | Lincoln      |
| SAW3        | <i>Submerged Arc Welding</i>              | 4 x 4 meters manipulator – 1000 Ah. | 1998        | ESAB         |
| SAW4        | <i>Submerged Arc Welding</i>              | 4 x 4 meters manipulator – 800 Ah.  | 1982        | Lincoln      |
| SAW5        | <i>Submerged Arc Welding</i>              | 3 x 3 meters manipulator – 600 Ah.  | 1977        | Lincoln      |
| SAW6        | <i>Submerged Arc Welding</i>              | Semi-Automatic – 600 Ah.            | 1977        | Lincoln      |
| SAW7        | <i>Submerged Arc Welding</i>              | 4 x 4 meters manipulator – 1000 Ah. | 2006        | Lincoln      |
| SAW8        | <i>Submerged Arc Welding</i>              | 4 x 4 meters manipulator – 1000 Ah. | 2006        | Lincoln      |
| GTAW1       | <i>Gas Tungsten Arc Welding</i>           | FRO 4000T – 500 Ah.                 | 1998        | AirLiquide   |
| GMAW1       | <i>Gas Metal Arc Welding (&amp; FCAW)</i> | FRO Temarc – 500 Ah.                | 1995        | AirLiquide   |
| GMAW2       | <i>Gas Metal Arc Welding (&amp; FCAW)</i> | FRO Temarc – 500 Ah.                | 2000        | AirLiquide   |
| GMAW3       | <i>Gas Metal Arc Welding (&amp; FCAW)</i> | SF02 SincoFil – 400 Ah              | 1984        | Sinco        |
| GMAW4       | <i>Gas Metal Arc Welding (&amp; FCAW)</i> | MIG 550 – 550 Ah.                   | 1997        | Walfo        |
| GMAW5       | <i>Gas Metal Arc Welding (&amp; FCAW)</i> | FRO Domino 550 – 550 Ah.            | 2001        | AirLiquide   |
| GMAW6       | <i>Gas Metal Arc Welding (&amp; FCAW)</i> | TPS 5000 – 500 Ah.                  | 2004        | Fronius      |
| GMAW7       | <i>Gas Metal Arc Welding (&amp; FCAW)</i> | TPS 5000 – 500 Ah.                  | 2007        | Fronius      |
| PPH         | <i>Hydraulic Testing Pump</i>             | max. 700 Barg                       | 2003        | Italcontrol  |
| BPH         | <i>Hydraulic Testing Bench</i>            | max. Ø 36" @ 150 bars. L max. 2 m.  | 2003        | Italcontrol  |
| CAL1        | <i>Mechanical Rolling Machine 3 rolls</i> | 600 Tons. i.Ø > 500x50x3000mm.      | 1979        | Imcar        |
| CAL2        | <i>Hydraulic Rolling Machine 3 rolls</i>  | 400 Tons. i.Ø > 400x35x2500mm.      | 1998        | Parmigiani   |
| CAL3        | <i>Hydraulic Rolling Machine 3 rolls</i>  | 1000 Tons. i.Ø > 700x100x3000mm.    | 2003        | Sertom       |
| RUL1        | <i>4 Rolls Positioner</i>                 | 20 Tons.                            | 1981        | Armco        |
| RUL2        | <i>4 Rolls Positioner</i>                 | 10 Tons.                            | 1985        | Armco        |
| RUL3        | <i>4 Rolls Positioner</i>                 | 7 Tons.                             | 1990        | Sinco        |
| TAV1        | <i>Rotating Table Positioner</i>          | 2 Tons. Ø max. 2000mm.              | 1988        | Simac        |
| TAV2        | <i>Rotating Table Positioner</i>          | 3 Tons. Ø max. 2000mm.              | 1993        | AirLiquide   |
| TAV3        | <i>Rotating Table Positioner</i>          | 4 Tons. Ø max. 2000mm.              | 1993        | SaldAuto     |
| TAV4        | <i>Rotating Table Positioner</i>          | 10 Tons. Ø max. 3000mm.             | 1998        | Swiss        |
| VPM         | <i>Vertical Press Machine</i>             | 700 Tons. bench 500 x 800mm.        | 1982        | Vendramini   |
| PGA         | <i>Horizontal Bending Machine bench</i>   | 10 x 3000mm.                        | 1983        | Schiavi      |
| TRN1        | <i>Horizontal Cutting Machine bench</i>   | 20 x 3000mm. Hans Röhmer            | 1992        | H.R.         |
| OXC1        | <i>Oxy-cutting Machine</i>                | Max. 100mm. W.t.                    | 1981        | AirLiquide   |
| OXC2        | <i>Oxy-cutting Machine</i>                | Max. 100mm. W.t.                    | 1988        | AirLiquide   |
| OXC3        | <i>Oxy-cutting Machine</i>                | Max. 100mm. W.t.                    | 1993        | AirLiquide   |
| PLS1        | <i>Plasma-cutting Machine</i>             | Nertajet 200 - Max. 60mm. W.t.      | 1993        | SAF          |
| SGT1        | <i>Metal Cutting Band Saw</i>             | Tubes Ø 310 mm. x 8 meters bench    | 1987        | Thomas       |
| SGT2        | <i>Metal Cutting Band Saw</i>             | Tubes Ø 310 mm. x 12 meters bench   | 1989        | Thomas       |
| SGT3        | <i>Metal Cutting Band Saw</i>             | Tubes Ø 310 mm. x 14 meters bench   | 1991        | Thomas       |
| TRN1        | <i>Horizontal Lathe</i>                   | Ø 300mm. x 1500mm.                  | 1974        | Graziano     |
| TRP1        | <i>Vertical Radial Drilling Machine</i>   | VR 50/2 H. Cegielski                | 1976        | Poznan       |
| TRP2        | <i>Vertical Radial Drilling Machine</i>   | RAG 30                              | 1980        | Famup        |
| TRP3        | <i>Vertical Radial Drilling Machine</i>   | RAG 30                              | 1988        | Famup        |
| DC01        | <i>Davit Crane</i>                        | 1,5 Tons. (180° x 6 meters)         | 2001        | Donati       |
| CP01        | <i>Bridge Crane</i>                       | 5 Tons. (12 x 54 meters)            | 1975        | Gutter       |
| CP02        | <i>Bridge Crane</i>                       | 5 Tons. (12 x 54 meters)            | 1978        | Demag        |
| CP03        | <i>Bridge Crane</i>                       | 5 Tons. (12 x 54 meters)            | 1979        | Demag        |
| CP04        | <i>Bridge Crane</i>                       | 5 Tons. (12 x 54 meters)            | 1990        | Demag        |
| CP05        | <i>Bridge Crane</i>                       | 10 Tons. (12 x 84 meters)           | 1997        | Demag        |
| CP06        | <i>Bridge Crane</i>                       | 10 Tons. (12 x 84 meters)           | 1997        | Demag        |
| CP07        | <i>Bridge Crane</i>                       | 5 Tons. (16 x 36 meters)            | 1987        | Demag        |
| ML01        | <i>Diesel Forklift</i>                    | 6 Tons. – C500                      | 1988        | Clark        |
| ML02        | <i>Diesel Forklift</i>                    | 3 Tons. – V60D                      | 1984        | Caterpillar  |
| ML03        | <i>Diesel Forklift</i>                    | 6 Tons. – ST06                      | 2007        | Still        |
